

Home-Grown in Malvern **Equal Opportunities Policy**

We give all children in our care the opportunity to reach their full potential. Sometimes this means adapting an activity to the child's ability and stage of development, providing additional resources or giving one child more attention and support than others during a particular activity or routine.

All children in our care are given the opportunity to play with all the toys (subject to health and safety with children under 3 years of age). No toys are just for girls or just for boys. All staff members try to ensure the toys reflect positive images of children and people from different cultures and with different abilities. We promote discussion that challenges stereotypical ideas on what careers are open to men and women.

No child in our care will be discriminated against in anyway, whether for their skin colour, culture, gender, ability or religion. We will challenge any remarks that we feel are inappropriate.

We encourage the children in our care to learn more about their own culture and to find out about the culture and religions of other children. We do in this in a fun way through sharing books, craft activities, cooking and eating food from around the world, role play and celebrating special festivals.

We encourage the children to develop a healthy respect of each other's differences and to value everyone as an individual.

We encourage Parents to share with us any festivals, special occasions or artefacts, which may enhance the children's learning and understanding.

If you have any concerns regarding this policy please discuss them with a member of staff.
